

WEST GREEN INFORMATION BULLETIN – 13th August 2011

ATTENTION: SAT NAV OWNERS!

There is a spate of vehicle breaks in the West Green area.

Vehicles displaying a Sat Nav cradle on the windscreen are advertising to thieves that you own a Sat Nav and that you have possibly removed it from the cradle and placed it inside your glove compartment.

Remove:

- Your Sat Nav and the cradle from the windscreen.
- Any cables or wires used to charge the sat nav.
- Ring marks from the windscreen (this shows you own a sat nav)
- Switch your blue tooth off on your sat nav as this shows you have a device in your vehicle.

******DON'T place your Sat Nav / cradle / cables in your GLOVE COMPARTMENT *****

You can register your Sat Nav on www.immobilise.com for free, this will increase your chances of getting it back to you should it be stolen.

If your vehicle does get broken into, please report this to Sussex Police on 0845 60 70 999.

Kind regards
